2024 Sturgis Motorcycle Rally

For some, this Rally is a "bucket list" item and have enjoyed it once, or plan to some day. For others, it's an annual vacation destination. This is considered a true "riding rally" because the scenic and open areas of which to ride are abundant and mesmerizing. Of course there are bars and shenanigans in multiple cities around Sturgis, but most of the nearly 500,000 riders take advantage of getting on their bikes and feeling the wind on these beautiful roads made for a motorcycle. Mount Rushmore, Devils Tower, Sylvan Lake, Crazy Horse, Bell Fourche's Geographical center of the Nation, just to name a few extraordinary "must sees". If you've never been, make it a plan!

Are you riding a lot this Summer?

Then don't forget to submit it and a photo of your odometer to Steve Carlisle at dchogride365@gmail.com you just might win some money, contribute to the group's million miles, and HD rewards you as well!

Keep on keepin' on with your **Wind Therapy checkpoints!** Fascinating places to ride and it's also a great way to add to the groups mileage totals! Send those pictures to dchogwindtherapy@gmail.com

These are Derby City H.O.G. Chapter officers, not pictured is Leslie Brauer, Historian, and they all put in a great deal of time and effort to make this the great group that it is!

They are here to answer any questions, listen to concerns and suggestions and provide invaluable information and experiences. Many of them, as well as other members, are the leaders and sweeps of rides that if it wasn't for them, there wouldn't be as many opportunities to have such fantastic group rides!

If you need to contact them, go to DCHOG.com click on Menu, then About Us, then Officers. You will have a email pop up when you click on their name, which includes their title.
