IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS! 🎄

Thanks to the many donors, staff and DC HOG members, these bicycles will make many local children happy on Christmas Day! The radio station Q103.1 hosted, again this year, the drop off location at UAW Local 862 for the collection of bicycles for the Bikes Or Bust campaign. Q103.1 & Shirley's Way Deals is in their 9th year of collecting bikes that will directly go to the Marine Corps Toys For Tots and The Salvation Army of Southern Indiana.

Bluegrass Harley-Davidson is just one of the sponsors of this heartwarming presentation. Much gratitude to the Jefferson County Sheriff's Department for their safety escort!

A Christmas Poem for Bikers - “’Twas The Night Before Christmas”

By: Tami Stevenson

’Twas the night before Christmas and all through the house, was an anxious biker, as well his spouse.

The bikes were settled in the garage with care, in hopes the weather soon would be fair. The couple were nestled snug in their bed, while visions of curvy roads filled their head.

When out in the garage there arose such a sound, they sprung from their bed to see what they found. When what to their wondering eyes should appear, but a big red bag of new Harley gear!

New “shoes” for their rides, and helmets for their heads, “Misty” his Glide and her Heritage in red. The couple so excited to their bed they stumble, because they know they’ll soon hear the rumble.

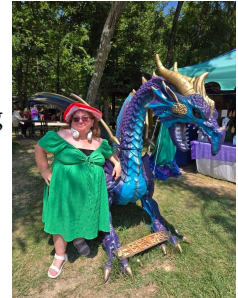

“Now Street Glide!, now Road Glide!, now Tri-Glide and Nightster! On, Fat Boy! on, Heritage! on, Breakout and Sportster! To the top of the street and the hills so tall! Now ride away! Ride away! Ride away all!
