## As water reflects the face, so one's life reflects the heart

**-Proverb**

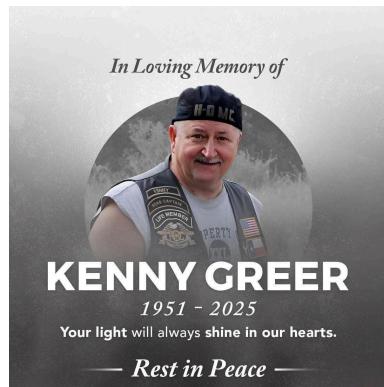

The end of the year is not necessarily only Christmas, nor is it only a season, but we tend to fall into a place of gratitude and reflection during this time. It is because of the abundance of family and social gatherings that remind us of the things we've done and who we've cherished throughout the year. While, not all memories are happy, they were times of challenges that led you to who you are today. Still, even in adversity are happy moments to reflect upon.

## In Memoriam

Rebecca "Becky" Skeen - Jan. 8, 2025

"Becky loved to ride. We were almost always two up on the bike. She loved to travel. Whether chasing Wind Therapy points or our yearly Escape from Derby trip. When not riding she loved teaching her preschool kids. A job she loved for over 30 years. When not teaching, she loved spending time with our kids and granddaughters. She's definitely missed." - Eddie Skeen

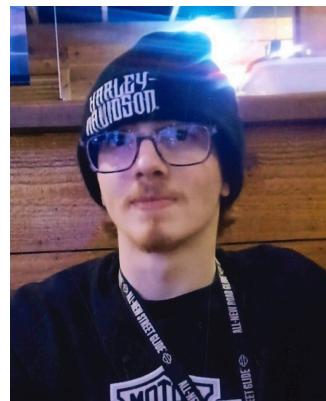

Kenny Greer - March 19, 2025

Kenny had many friends and family here in KY and in Texas. He was a member of two H.O.G. Chapters, our very own and The Woodlands in TX. His bright friendly smile was always present to all he encountered. - Editor

Jacob Eglen - June 27, 2025

A young life taken too soon. He was an employee of the BGHD team and was riding his motorcycle on his last day of life. We continue to lift up his family in prayer.

## In Memoriam

Virgil Milby - July 15, 2025

“Richard (as he was known to family and close friends) was a loving husband, father, grandfather and friend. He was a free spirit who found peace on the open road and joy under the open sky. Riding down backroads on his motorcycle was where he found peace. He truly enjoyed being a part of the (H.O.G.) Derby City chapter (#andVirgil) He was also a member of the Honorable Order of KY Colonels. People knew and loved him for his biting sense of humor. He always knew how to make people laugh whether he intended to or not. His memory will be cherished by all who knew and loved him.” - Tom Witten

David Farmer - October 22, 2025

“David was my ride or die partner in crime! We had such a good and beautiful marriage! He was fun loving and hard working, played hard, sincere, honest, sarcastic at times with jokes. He proposed to me on December 18, 2004”, (after a two year courtship. Their co-workers didn’t even know about their relationship until they were caught holding hands while shopping, lol) “We were married May 6, 2005. Every year we traveled for our anniversary making beautiful memories! He also loved to surprise me on my birthday with wonderful little trips! This year is so hard during this holiday season without him! I’m thankful for all the beautiful memories we shared together and I miss him very much!” - Laura Farmer
