## June's Quotes:

"There's no other father like you in the world"

"Fun dad, wise dad, kind dad, strong dad, fair dad, sweet dad, best dad, my dad"

"A father's smile has been known to light up a child's entire day."

***Happy Father's Day to all who are dad in every way.***

## Celebrating Forefathers and Father's Day!

An Excerpt from HD.com: "Born out of boyhood friendship, it took one Harley and three Davidsons to create a motorcycle brand that reshaped how the world moves.

...the evolution of Harley-Davidson through the ingenuity of its founders, wartime resilience, iconic models, and enduring legacy that ultimately became a globally recognized brand that changed the face of transportation and American culture."

We celebrate them as the founders of the machine we love to ride and as fathers themselves leaving a brilliant legacy.

## DC HOG Cares!

By Leslie Brauer, Historian

Ten years ago, the DC HOG Chapter awarded an honorary membership to a community member. 59 year old Mike Wilson was injured in a fight a few years prior causing neurological damage resulting in the need to use a wheelchair for mobility.

Mike was a big Harley rider and wore an old coat that finally fell apart. A local organization, Opal's Dream, was contacted about getting him a new one. BGHD donated a coat and had Mike's name engraved on it. The coat was presented to him for Christmas in 2014.

After learning about the coat, DC HOG Chapter presented Mike with a personalized vest at Friendship Manor in Pewee Valley on May 6, 2015.

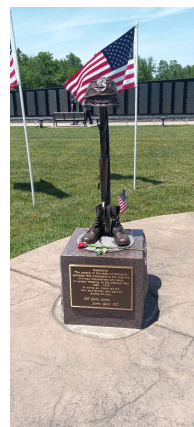

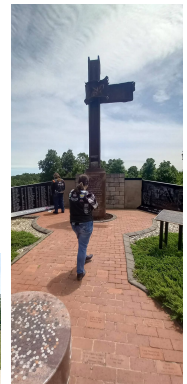

This act shows what a caring group our DC HOG Chapter (& BGHD) truly is!
