## Letter From The Editor, Tami Stevenson

Dear Members,

I would like to extend my sincerest gratitude for everyone’s support and participation in the H.O.G. Trails Newsletter. This is the very first time I had ever endeavored into something of this nature. From the first newsletter in January 2024 until now, it has evolved quite nicely.

However, I wouldn’t have grown into the enjoyment if I hadn’t stepped out of my comfort zone and put my “name in the hat”. It has been an amazing feeling of accomplishment for me.

With that being said, I encourage you to think about what contributions you can make as one of Derby City H.O.G. Chapter’s officers. Each of us is an invaluable member of this chapter, and everyone warrants the opportunity to realize their possibilities.

Our current officers are outstanding in their capacities and deserve resounding appreciation for maintaining the chapter’s momentum and accomplishments. I am humbled to have been in their company.

Gratefully,

Your editor
