## Extraordinary Challenges for an Extraordinary Employee

Bluegrass-Harley Davidson has never fallen short of exemplary staff, and this month they had a dealer-wide vote to nominate Mikey Wilburn as this month's H-D Breakout Star.

Mikey continues to show up to work every day with his best foot forward, despite treatments and pain from his battle with stage 4 cancer. Not only does Mikey embody the values our dealership holds close, he acts as a constant inspiration to both our staff and everyone who has the privilege to meet him. His presence in the dealership is both refreshing and acts as a reminder that you never know what someone might be going through. Please join us on October 5!

**Later, on Oct. 19, join us for  
our Fall Festival, with  
Trunk or Treat!**

## Our Members, “Outside The Helmet”

Bruce Heichelbech has a passion for fishing. Salt or fresh and any fish that swims, he's ready to catch it!

Phil Kaufman rebuilt and customized this V-Rod to honor First Responders of 9/11. He shows the bike state wide, including at BGHD recently.

Kim Hannah Welsh enjoys quilting. Just look at this beautiful one!

Joanne Tinnell will repel off a building to raise money for children with cancer.

## Now, let's hear from our New Members!

### “Why Did You Join DC H.O.G?”

As told by Dennis Mitchell, “I’ve been without a Harley-Davidson motorcycle for the past six years. I’ve missed the HD community and friendships that come with a H.O.G. relationship. Also, I’ve got a great friend that wouldn’t let me forget how much fun he was having, participating in all the Bluegrass Harley-Davidson and Derby City H.O.G. chapter activities.”
